## How our camps work...

Ride your own horse/pony or  
ride one of our excellent Academy Schoolmasters.

Camps run 9.30am - 3.30pm. Campers who like to help with barn chores may arrive at 8.30 and stay until 4.30 by prior arrangement. They complete the safety workbook beforehand.

We email a schedule for each camp a week before it starts, with details of the week's activities and advice on what to bring.

Most camps have a presentation for friends and family on the last day. Plan to come. A great opportunity to take pictures for our Website News and annual Calendar!

Read the camp descriptions enclosed and talk to your instructor about the camps you like. If you are new to Cricket Hill, come for an assessment so we are sure to place the rider in the appropriate camps with a suitable mount. **Complete the Booking Form and send with deposit to:  
Camps at Cricket Hill, 115 Snyder Road, Ancramdale, NY.** We will confirm by email.

Horsemanship Camp concentrates on *GoldStar*. Join the program and join the fun! Beginners to Training Level Dressage. Jumping, too!

GoldStar is Cricket Hill's step-by-step achievement program for riding & related horse care. Students have both the fun of riding & the satisfaction of knowing they are progressing in a safe, logical way.

For more, go to [www.crickethillfarm.org/academy/goldstar](http://www.crickethillfarm.org/academy/goldstar) or ask for the *GoldStar* pamphlet.

2007 production, Snow White, included a musical ride on Academy Schoolmasters.
