

HorseY Scandal – Episode 7: Dressage Delinquents

Is there a conspiracy with the Mare Sorority?

“Frat Tate, Agent Ricochez, Sienna, thank you for alerting us about this. Madison and Didi are not going to get away with this,” Senior Shakespeare said.

“I agree, and as for Frat Tate, I think it is altogether fitting and proper that you should go undercover in the Chestnut Connection. We cannot prosecute if the Chestnut Connection is a positive good,” Head Mare Delilah said.

“Frat Tate, since you’re going undercover, I think you should be promoted to Ricky’s level of Authority, Agent Tate. But unlike Agent Ricochez, you may not tell your pasture mates about this promotion. You are now part of the Intelligence,” Senior Shakespeare said.

“And Sienna, your prior transgressions are pardoned. I ask you to rejoin the Mare Sorority, but not as Mare Sienna. You won’t regain your positions as AHM, instead, you will have a higher place as Agent Sienna; you will be part of my Mare Intelligence. You will have special privileges to meet with the Fraternity’s Intelligence. And I will return your silver horseshoe,” Head Mare Delilah said.

“Oh my golden horseshoes! Thank you!” Sienna exclaimed.

“Welcome back, Agent Sienna. Your status should be shared with Mare Sunny, you’ll see why,” Head Mare Delilah said.

“Agent Tate, You have your assignment. This meeting is adjourned,” Senior Shakespeare said. The three horses parted and rejoiced in their wonderful news.

“Sienna! Sienna!” Sienna trotted into her paddock she shared with Sunny. “Sunny! What’s the matter?” Sienna whinnied back.

“Oh I have the best news! I’ve been given the position as the new AHM!” the yellow mare said Piaffing.

“Oh Sunny! Such wonderful news! Oh I’m so happy for you! I’ve been readmitted into the Sorority too!” Sienna exclaimed.

“Oh it’s wonderful isn’t it?” Sunny said.

“Yes! But what about Didi?” Sienna asked.

“She’s just a Mare now,” Sunny said.

“Oh Mare Sunny! I must tell you...I’m going to be Agent Sienna! Part of the Mare Intelligence!” Sienna said.

“That’s wonderful!” Sunny said.

Out of the corner of Sienna’s eye, she saw the little bay pony leap out of the paddock.

“Sunny, I’ve got to go, I’m on Intelligence duty, so I must depart,” Sienna said.

“Okay, best wishes Agent Sienna,” Mare Sunny said.

Sienna leaped out of the paddock and cantered after Didi down towards the pond. She was the only one on this case and she had no back up. Sienna hid behind a grove of trees and watched Didi circle around an

empty clearing, looking for something. Sienna jumped behind a large bush when Madison came rushing past her down to Didi.

"Didi!" he called.

"Madison!" Didi called back.

Madison stopped when he reached Didi and rubbed her neck.

"So how are you doing?" he asked.

"What do you mean?" Didi asked seductively.

"You know what I mean," Madison said.

"I doing wonderful," Didi said.

"I'm glad, but seriously, how many did you get?" he asked.

"Just two," Didi said.

"That's fine, we've got five now. Tate agreed to join," Madison said.

"Okay, now that the mares are included, and they're not all chestnut, let's call it by the name we wanted to call it before, Dressage Delinquents," Didi said.

"Okay, sounds good," Madison said.

"I'm so glad, the Sorority is really getting on my nerves, that stupid Delilah first gave me the position as AHM, then she took it away and gave it to Sunny," Didi complained.

"Don't worry, we'll get her, and Shaky, I have a plan. Our magic combined will be so powerful we can overthrow the tyrants. If we can get enough power, we will rule all!" Madison said.

"Okay, what do I have to do?" Didi asked.

"The Mares in high places have these... you know what they are. Take them," Madison said. "I'll do the same on my side."

"Okay, I am prepared. I believe in magic," Didi said.

"Good, Boss will be proud."

"Oh, but I have something to tell you."

"What's the matter Didi?"

"I told Sunny I was Someone Stallion."

"You did what?" Madison squealed.

"I was all set to invite her to join, but I don't know, I couldn't!"

"Oh my golden horseshoes! *Diiiiiiiiidiiiiiiii!*"

"And...Sienna heard me. I don't know if they've told anyone, but everything's gone so wrong, when I told her about the *thing* all I was hoping to do was get her to loose her position as AHM, but everything's gone wrong, really, she hasn't lost anything, I'm the one who lost a best friend! Madison...I really need this to happen quickly so I don't have to think about this any more. I want Sienna back!" Didi said.

"Didi! Dressage Delinquents is supposed to be a SECRET! Only until we are able to unleash our power can we go public! Delilah and Shaky probably have spies on us! Didi! I don't know what to do with you!"

"Madison, I swear I'll do anything, I need the Dressage Delinquents, then I can get Sienna in the group and nothing can go wrong," Didi said. Frustrated, she left Madison standing alone and ran away.
